Suggested Bylaws for a TBF, Inc. State Affiliated Chapter Club

This is a generic draft of bylaws and are offered as a starting point for your new TBF affiliated chapter club. They are, of course, just a guideline for you to follow and can be modified, if necessary, for your particular club before submitting them to The Bass Federation, Inc. for certification. Great study and years of experience have gone into the guidelines. If your club is one that is already established and operating with a set of bylaws in place. It is highly recommended that you please add the Article 1 Section 2 Purpose, Article for Membership (II) and the Article for Affiliation (VI) as well as any sections dealing with safety and submit two copies to TBF, Inc. for approval. When your bylaws have been certified, the certified copy will be returned to your club secretary.

State

Section 2: Purpose

(a)The general purpose of the chapter club shall be to facilitate the organized support, protection, education and encouragement of sport-fishing, youth and conservation at all levels and to "partner" with other like minded groups to do the same.

(b) More particularly stated, purposes of the corporation include the following; to establish and maintain an organization for the support of sport fishing, and all related recreational and educational fishing, youth and conservation activities conducted in a safe manner. To stimulate the public awareness of angling as a major sport. To educate the public upon the positive economic impact of angling at the national, state and local levels. To offer our state fish and wildlife agencies our organized, conservation feedback, input, political and legislative support and assistance. To promote full adherence to conservation codes, clean water standards, and industry accepted practices which impact the sport of fishing. To support and demand adequate water quality standards, fisheries habitat and fisheries resource management. To protect and guard anglers right's and demand unfettered, responsible access to all public waters and facilities, built, supported or otherwise funded in whole or in part by public funds. To detect and report polluters or violators of fish and wildlife conservation laws and to expose violators or polluters publicly and focus

political or legal attention upon such violations. To encourage, facilitate and promote youth fishing activities and education and a love for this great recreation. To work to improve our skills as anglers through fellowship and camaraderie of friendly exchange of fish-catching techniques. To teach and promote safe boating and on the water practices. Our chapter will function as a dynamic and effective link with our affiliated State Federation and other like-minded groups.
